REGIONAL SCHOOL DISTRICT 4

Regional School District 4 is part of a system of schools comprising the Chester, Deep River, Essex, and Region 4 school districts. The districts are governed by multiple Boards of Education and administered under the auspices of the Supervision District agreement. The Boards of Education are committed to providing a rigorous, challenging, and cohesive educational program for students PK-12.

Regional School District 4

Regional School District 4 provides middle and high school public education for the member towns of Chester, Deep River, and Essex. John Winthrop Middle School provides educational services for approximately two hundred and thirty students in grades seven and eight. Valley Regional High School provides a comprehensive high school program for approximately five hundred students in grades nine through twelve.

John Winthrop Middle School has won a prestigious honor from The New England League of Middle Schools (NELMS), being named as a NELMS Spotlight School. John Winthrop Middle School is one of only a handful of middle schools across New England to receive this prestigious award. The NELMS Spotlight Award acknowledges the outstanding work of the faculty, staff, administration, Board of Education, and the community in the support of an excellent educational program based upon the best of middle school practices. The NELMS Spotlight Award validates that the John Winthrop Middle School community provides an exceptional educational program anchored in a rigorous curriculum, specialized instructional practices planned to meet the needs of young adolescents, skilled and supportive educators, a caring climate, communities that support student learning and healthy development, and a safe and healthy school environment, of all which develop caring and ethical citizens.

Valley Regional High School received the prestigious honor of being named one of the top 500 high schools across America by Newsweek Magazine based on the success of our students. The High School was also placed on the Advanced Placement honor roll. This award was given to Valley Regional High School for expanding opportunities for students to earn college credit through rigorous college level course work. Valley Regional High School has also received local, regional and national awards in fine arts and music.

The Chester, Deep River, Essex, and Regional School District No. 4 Boards of Education developed a set of Strategic Priorities which will guide the work of our schools for the 2023-2028 school years. This Strategic Plan was adopted in February 2023 by the Boards of Education of Chester, Deep River, Essex, Regional School District No. 4, and the Supervision District Committee. The agreed upon priorities are:

- 1. Teaching and Learning: To provide each student with high quality classroom instruction to promote successful student outcomes.
- 2. Culture and Climate: To partner with students, staff, and families to maintain a positive learning environment where every child is successful.
- 3. Finance and Operations: Develop and implement practices to ensure effective long-range, strategic financial, and operational planning.

Average Daily Membership

What is Average Daily Membership (ADM)?

Regional School District 4 provides public middle and high school education to the member towns of Chester, Deep River, and Essex. The costs associated with Regional School District 4 are assigned to member towns using a three-way allocation. The allocations are based on the Average Daily Membership (ADM) among the member towns. Average Daily Membership for the subsequent budget year is determined by the total number of students in each member town grades 7-12 based upon the Connecticut State Department of Education October 1 census of actual enrollment in the current year. Students educated out of district are assigned to the home district (special education, magnet schools and vocational agriculture) not including students attending Technical High Schools and Adult Education.

Average Daily Membership for the 2024-2025 Budget

Average Daily Membership is based upon a three-way allocation per state statute.
