**Items/Discussion:**

Superintendent White asked Finance Director Bob Grissom to share answers to two questions that were asked at last week’s regular board meeting regarding the oil tank replacement and the methodology use by our insurance consultant in making cost projections for next year.

Mr. Grissom reported that when the old oil storage tank was replaced last summer, the oil was run empty before replacement so there was no remaining oil to be transferred. Mr. Grissom also reported that Joe Spurgeon, our insurance consultant, used a claim completion model to determine his projections.

The board reviewed and discussed the proposed Chester Elementary budget document for 2021-22 (see attached).

There was time for public comment, but there being no citizens present, no comments were made.

The next Budget workshop is scheduled for February 23, 2021.

**ADJOURNMENT:**

On motion duly made and seconded, the board unanimously VOTED to adjourn at approx. 7:52 p.m.

### **2021-2022 School Year Budget Request**

#### **CHESTER SCHOOL DISTRICT**

The Chester School District is part of a system of schools comprising the Chester, Deep River, Essex, and Region 4 school districts. The districts are governed by multiple Boards of Education and administered under the auspices of the Supervision District agreement. The Boards of Education are committed to providing a rigorous, challenging, and cohesive educational program with a PK-12 line of sight.

#### **Chester Elementary School**

Chester Elementary School is committed to help students acquire the attributes, attitudes, skills, competencies, understandings, and applications necessary to develop as unique, rational, and creative human beings. In a cooperative effort teachers, parents and the community strive to have students reach their maximum potential, contribute to the well-being of others, adapt to an ever-changing society, and become capable of assuming a useful role in that society. Therefore, it is our mission that we work together to promote academic excellence, to foster a desire for lifelong learning and to develop responsible individuals.

- We recognize each student as a unique individual and feel we should provide for his or her individual differences.
- We believe in the right of each student to have an equal opportunity for a quality educational program.
- We have a desire for excellence.
- We encourage all students to become independent self-learners.
- We are committed to students' success and achievement.
- We believe a positive self-image and a feeling of self-esteem contribute to the student success.
- We believe in the cooperative effort and partnership of school, home and community.

We are committed to the continued improvement of the quality of education in Chester. Our School Improvement Plan supports the Mission Statement for Chester, Deep River, Essex and Region 4 School districts, which states that we engage all students in a rigorous, challenging, and cohesive educational system.

**District Strategies for 2017-2022**

All schools and staff will be dedicated to pursuing and implementing the strategies that the strategic planning team identified as the most crucial to the improvement of student success in our priority identified skills. They are:

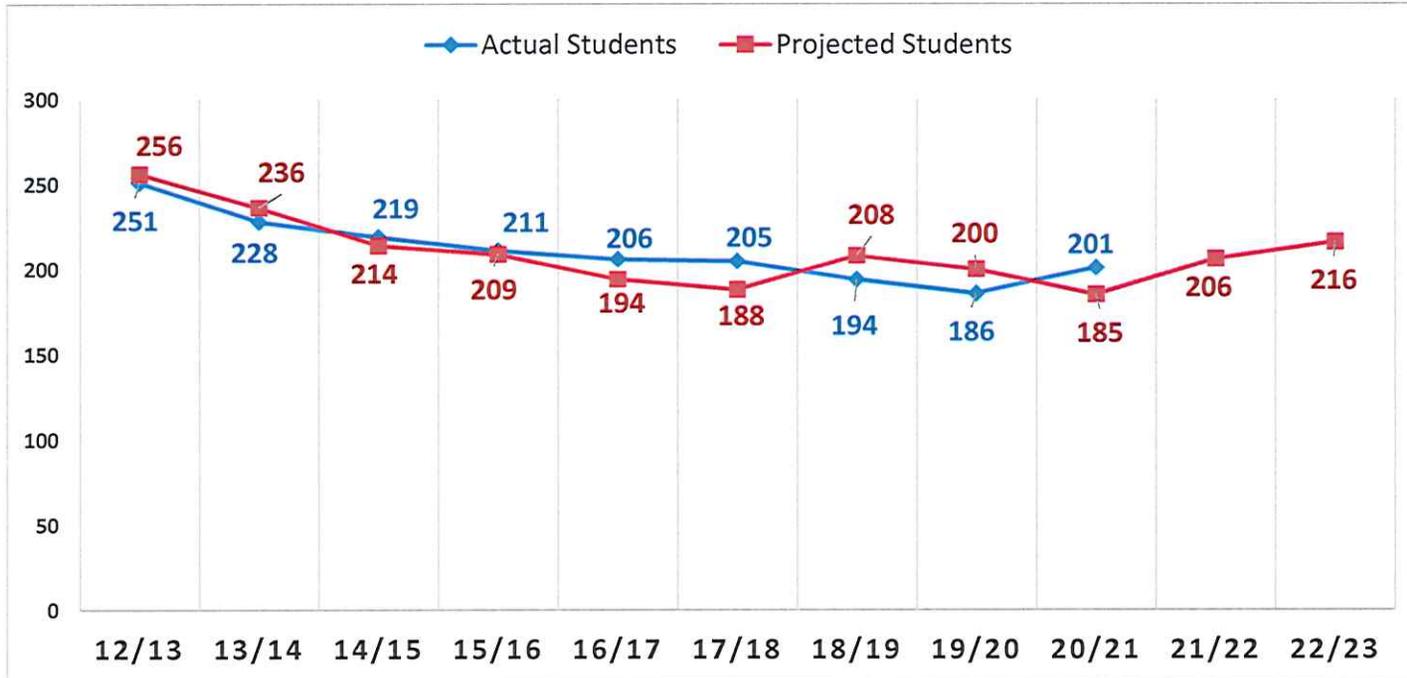

1. Operationalize a three community, unified focus – Pre-K to 12 – on critical and creative thinking for solving difficult problems and to focus and align the districts’ goal setting processes with these priorities across towns, building and grades.
2. Clarify/unify the assessment philosophy of the districts and comprehensively audit the use of assessment resources to ensure they are consistently applied throughout the districts and then build/use the assessment capacity of the districts to enable reliable assessment and data reporting of student proficiency in the priority skills (3 Year Process).
  - Data collection across the districts
  - Assessment Audit
  - Assessment Philosophy
3. Support teachers in the enhancement of their capacity (professional learning, development, support and feedback) to teach and assess higher order thinking skills (critical and creative problem-solving) in a digital learning environment. - (Educator Evaluation Rubric 3B and 3C).
