Roof: Update

Plumbing: Update

Facilities use: Update

Painting: Update

Door Swipe Access: Update

Trees: Town removed dead trees

Asbestos: Asbestos test for the tile under the flooring in the library came back as positive.

Playground: Our playground equipment was purchased in 1998 and 1999. Consider planning for next steps.

Air Handling: Some committee members discussed a desire to explore the feasibility of adding central air to the building.

Custodial Staff: Hired a new temporary daytime custodian to fill vacancy

Refrigerator: The preexisting refrigerator is still in working order.

Food service participation has sharply increased and continues to grow. Thomas recommends buying an additional refrigerator.
